
GENERAL INFORMATION

Mission

To provide excellence in education to children from various backgrounds and their families by way of a safe, nurturing, Christian environment with an emphasis on success in spirituality, academics, and moral character.

Who We Are

Word of God Christian Academy and Day Care were founded by Dr. Frank and Mrs. JoeNell Summerfield in September of 1993. The initial enrollment was 63 students, but increased to 260 the following year. We were cited as “the fastest growing private school in the state” by the *Raleigh News & Observer*. We serve children from infants to grade 12 in our facilities. We have had thirteen graduating classes, and the majority of the graduates have been accepted into major universities on academic and athletic scholarships. Our graduating class of 2009 alone received an amount of over 1.6 million dollars combined that was awarded to them in scholarship funds. We have produced students who perform with excellence on local, national, and international levels and have received recognition and awards such as NASA-NSIP award, the National Achievement Award, and two Bill Gates Millennium Foundation Scholarships. Our graduates have attended the following colleges and universities:

Penn State University
A&T State University
St. Louis University
UNC Greensboro
Shaw University
Charlotte Art Institute
Voorhees College
Appalachian State University
Livingstone College
Virginia Union University
Fayetteville State University
